# ISYNC DRIVE

- Each precinct receives 1 iSync drive.

- Contains the most current list of registered voters and absentee voters.

- During **opening** procedures, insert iSync drive into <u>each</u> Poll Pad to update voter list.

- If you forget, it takes us up to <u>4 hours</u> to fix each Poll Pad!

- During **closing** procedures, insert iSync drive into <u>each</u> Poll Pad again to export data.
